And What Have You

By BOB CRAIG

With the good showing of the Pipers so far this season, football seems to be the main topic of conversation around town. With this in mind we were interested in an article by Dr. Rhea Williams, director of athletics of the University Interscholastic League, in the League's publication, "Interscholastic Leaguer."

We have read and heard of many arguments for and against high school athletic programs but Dr. Williams comes up with a new slant on one of its many benefits.

Dr. Williams says that "One of the most useful purposes of athletics, or any type of play, is that it gives opportunity for the emotions to be expressed and to be directed in the proper channels. It is a proven psychological fact that every person has to have some opportunity to vent his emotions, and athletics and play are among the best ways."

He goes on to say that "Psychologists call any method which allows a person to express his emotions in a manner which avoids harmful mental or physical 'expressions' the 'safety valve' theory. Thus, athletics and play are excellent 'safety valve' outlets for the emotions."

"We all know from personal experience that human beings are emotional and that they must have opportunities to express them or else they will 'explode.' Emotions not expressed in desirable ways will be displayed in undesirable fashions. One out of every 15 Americans today will be a mental hospital patient sometime during his life."

According to the dean of Texas High School Athletics, Dr. Williams, "There is no greater opportunity to train the emotions, while at the same time allowing them to be expressed, than in athletics and play. Emotions, if allowed complete freedom without proper guidance, will not always be properly directed. The ability to control emotions is best guided on the playing field under the direction of a coach or teacher."

"In the average classroom, such as English, social science or physical science, there is little opportunity for a person to train his emotions. He is seldom given a chance to express them. This writer has never yet seen tears or laughter in a science experiment unless hydrogen sulphide escaped. The average classroom does not provide opportunities for emotional control."

"Each high school student needs an opportunity to express his emotions in some wholesome situation. Every high school student should be brought into some extra-curricular activity. The band by marching and playing, the pep squad and the drill team, and the entire student body have an opportunity to let off pent up 'steam' and tension at athletic activities. It is most important that there be proper direction for the emotions, as emotions are much like atomic power in that they can be used for good or evil depending upon direction."

But Dr. Williams does not confine the benefits to the high school student as he says, "Adults in the community who go to athletic events in schools also find these activities excellent outlets for their emotions and tensions. The person who works in a store, a bank or other business establishment during the week and has to control his emotions, finds weekend athletic events a fine opportunity to 'yell' and 'whoop' and to rid himself of his tensions."

"Many psychologists say that 'boiling' and other methods of 'riding' officials usually come from persons who have to submit to authority all week and resent this submission so much that they express resentment at someone else in authority when they have the opportunity. They feel much better after 'getting it off their chests.'"

He goes on to say, "People must have opportunities to let their tensions go, whether by playing the piano, working in a hobby shop or participating in, or viewing, an athletic event. For youth and adults, one of the greatest opportunities for wholesome outlet of emotions and tensions is to be found in high school athletic and play programs."

James Lain Brings In First Bale Monday

James Lain had the first bale to be ginned in Hamlin this season. The bale, brought in Monday, weighed 470 lbs. out of 2,000 lbs. of cotton.

The load was taken to Hamlin Farmers Coop Gin by Lain's father, J. C. Lain. It was the first time for James to have a first bale.

Watts Fletcher, gin manager, said the first bale would bring a premium price. It was ginned Tuesday and taken to Hamlin Farmers Compress where a bonus of \$50 is given for the first bale. He will also receive a \$50 check from the Hamlin Board of Community Development.

The cotton was pulled from about 4½ to 5 acres on the place owned by Mrs. Lula Mae Crawford north of South Lake where Lain lives.

Three Local Girls Living In Fire Damaged Dorm

Three girls from Hamlin are living in the new 12-story dormitory complex, Chitwood Hall, at Texas Tech, Lubbock, which was damaged slightly by fire last Wednesday night.

Judy Jenkins was on the fourth floor and was on the elevator when she smelled smoke. She got off at the sixth floor. Her room is on the ninth floor.

Others whose rooms are on the ninth floor are Glenda Hudspeth and Jane Ferguson but they were in Hamlin when the fire occurred.

The fire apparently started on the twelfth floor and fire damage was confined to personal belongings in one room. Smoke evidently made its way through the air conditioning ducts and overcame 22 girls who had barricaded themselves in one room. The girls were in a wing meeting and panicked. They were hospitalized.

The three elevators were in operation and the stairs were clear. The building was evacuated.

Judy is president of the freshmen in the dormitory and she told her parents Mr. and Mrs. E. N. Jenkins in a call Thursday morning that she had spent most of the night checking on the girls in her group.

Classes had not been started when the fire happened and the girls had not had a fire drill.

Wife of Former Pastor Dies Tues.

Mrs. B. J. Martin of Pasadena, wife of Rev. B. J. Martin, a former pastor of First Baptist Church here, died in a Houston hospital Tuesday after a two-months illness.

Services will be held today (Thursday) at 2 p.m. in Pasadena.

Rev. Martin was pastor here for about two years leaving here in 1945 to go to Ballinger. He left Ballinger in 1951.

Survivors include her husband; two sons, Sid and Bill, both of the home.

No Hint Yet On Fate of Skip-Row Penalty In 1968 Cotton Program

Initial details of the 1968 cotton program are due sometime this next week and what they will contain is still a mystery. Department officials say no decisions have thus far been made. A closed session last Wednesday between the Department and the House Agriculture Committee apparently failed to resolve several differences between the two concerning details of diversion rates and payments and skip-row measurement regulations.

The position of the Department concerning skip-row measurement penalties appears not to have changed too much from what it has been over the past two years," said Charles Stenholm, executive

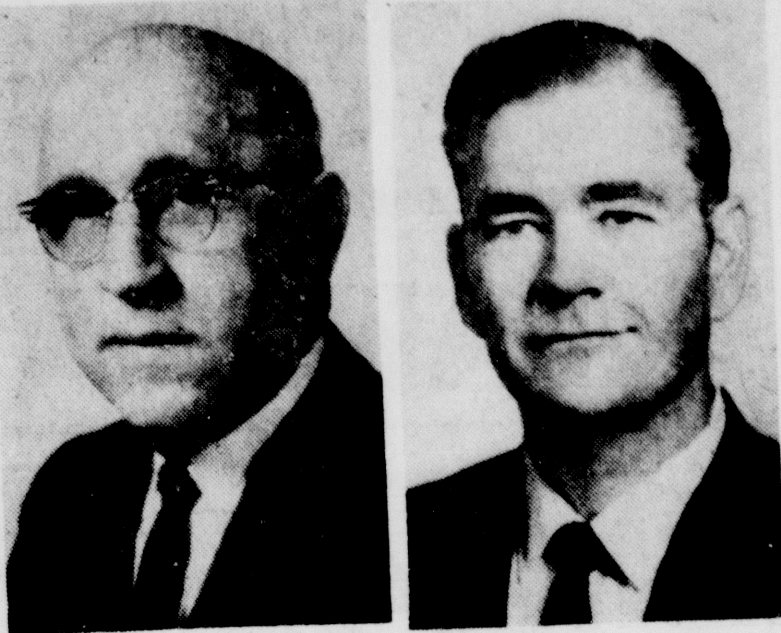

vice president of the Rolling Plains Cotton Growers, Inc. However, the Department appears to be changing somewhat in its attitude toward the skip-row penalties as they affect projected yields in the Rolling Plains area so much that we are now optimistic that skip-row penalties as they pertain to projected yields will be removed in 1968.

This will mean additional payments to Rolling Plains cotton farmers of more than 3.7 million dollars. We are, of course, still hopeful that all skip-row penalties will be removed in 1968 but chances of this happening appear very slim.

The Department reportedly did assure the committee how-

ever that it will not sell CCC cotton at less than 1c a pound above the government loan rate for the particular qualities of cotton. The effect of the Department's decision would be to help move the current crop of short staple cotton through the market at stable prices without undue competition from government and stocks.

RPCG officials had expressed concern to the government that cotton sales through CCC would drop in price to a level where producers would prefer to turn the current crop over to CCC for the loan rather than sell in the market. This is not all we had worked for but it is a step in the right direction," said Stenholm.

REVIVAL OPENS SUNDAY — A revival at First Baptist Church with Dr. Franklin Swanner of Plainview, left, as the evangelist, will open here Sunday with services three times daily through Oct. 8 S. W. Prestidge Jr. of Dallas will direct the music. Services will be held at 7 a.m.; 10 a.m. and 8 p.m. daily. Rev. Max Brown is the pastor.

Jones County Farmers Union To Meet Sat.

The third annual convention for Jones County Farmers Union members will be held Saturday night, 7:00 p.m. at the Anson High School Cafeteria. Following a free barbecue meal and entertainment by local teen age groups, a business session will be conducted.

Most important items on the business agenda are voting on six new directors and writing the county resolutions. This meeting is open to all Farmers Union members, their families and prospective members.

The rapidly growing Jones County Farmers Union now has a membership of over 200 farmers. Jones County members helped to organize the Lueders Farmers Union and the combined membership of the two is near 300.

BCD Office Acting As Depot for Items For Beulah Victims

Local residents who wish to help victims of hurricane Beulah may take clothing, bedding or other useful items to the office of the Board of Community Development.

The distribution will be handled through the Salvation Army, says the secretary, Mrs. Ned Moore.

New Mechanic At A. L. Gamble's

Alonso Guerra is the new mechanic at A. L. Gamble Used Cars. The owner, A. L. Gamble, said that he has 13 years of experience and was owner of his own garage at Sebastian near Brownsville before moving to Hamlin.

He is married and they have eight children. He started work with Gamble this week.

Ma Lee's Cafe Reopens Here

Mrs. U. C. Lee has reopened the cafe at South Central known as Ma Lee's Cafe.

She advertises that she will specialize in lunches and Mexican food. The hours are 6 a.m. to 8 p.m. daily.

County Unit of Cancer Society Meets Monday

The Jones County unit of the American Cancer Society met in Hamlin at Lee's Restaurant Monday evening. Two awards were presented to the group by Jack Sperry, a staff member from Wichita Falls.

C. L. Howard, Jones County chairman gave a report on the Cancer Drive. The final amount mailed to Austin was \$3,262, rating Jones County third in the district.

Members of the board attending were: Mrs. Kenneth Riddle, Mrs. James E. Simmons, May Gay, Buna Rountree, Mrs. Lou Cannon, Mrs. L. W. Larson, Mrs. Joseph High and Dr. G. E. Pryor, all of Stamford, and D. R. Bennett of Lueders.

The next meeting will be held in Anson Nov. 13.

Post Office Works Over 200 Zip-A-List Cards First Week

Postmaster P. H. Sparks reported today that approximately 200 ZIP-A-LIST cards from all over the country have been processed at the Hamlin Post Office since the program kicked off last week.

The postal official urged local residents who haven't taken advantage of the post office's offer to provide ZIP Codes for "zipless" addresses to do so immediately. A kit sufficient for up to eight addresses was delivered to each household in the area.

Extra kits are available at the post office.

Camp Fire Council Sets Called Meet Tuesday Evening

A called meeting of the Hamlin Camp Fire Council will be held Tuesday evening, Oct. 3, at the Camp Fire Hut at 7:30 p.m. according to the president, Luther Haight.

The directors will discuss money raising campaigns to get funds to repair and remodel the Hut, grounds and furnishings.

An open house will be held upon completion. All directors are urged to attend the special meeting.

Tahoka Offense to Test Piper Defense Here Friday

The Pied Pipers will be matching their tough defense against a high geared offense this week when the Pipers host the Tahoka Bulldogs Friday night. Both teams will go into the game undefeated with Tahoka holding impressive wins over Lorenzo, Crosbyton and Idalou.

While the Pipers have looked impressive in rolling up 79 points to their opponents' 6, the Bulldogs have scored 91 points and given up 14.

Head Coach Joe Youngblood said Monday that although the Pipers had several sore spots and bruises, he expected all of them to be ready for action Friday.

Coach Robert Brandon, who scouted the Bulldogs against Idalou this past week, reported to the Booster Club

Monday night that they had one of the better teams that the Pipers will face this year and were ranked eighth and ninth in pre-season Class A polls in the state.

The Bulldogs' main threat

McCaulley Exes To Meet Oct. 7

The annual Homecoming of the McCaulley Ex-Student Association will be held Saturday, Oct. 7 in the Ed Mason Gymnasium.

Registration will begin at 2 p.m. followed by the business meeting and election of officers at 5 p.m. A barbecue will be served at 6 p.m. The supper is a fund raising project for the juniors and seniors. Plates are \$1.25.

The football game, McCaulley vs Benjamin, will be at 8 p.m. Halftime will feature the sweetheart and hero presentations.

L. C. Houghton, current president, is being assisted by John Faught, vice president; Mary Ann (McCollum) Pickens, secretary; Betty (Carroll) Bass, treasurer and Aletta (Cook) Allred.

All ex-students and teachers are invited.

Audio-Visual Room Added for Use In Elementary School

The students and teachers of the Hamlin Elementary School are enjoying a new audio-visual room. The shades have been darkened to help in the showing of slides and instructional materials. Extra reference books have been placed there to make them available to all rooms in the building.

Last year slides were purchased on various topics of reference to our studies. The plans are to add to this collection each year as needs and money permits.

Brother Dies

Jacob (Jake) Franklin Murrell, 69, of Odessa, brother of Carl Murrell, died Tuesday morning at an Odessa hospital following an apparent heart attack at his home.

Services will be in Odessa at 2:30 p.m. today (Thursday).

County Baptist To Meet In Anson Church Tuesday

The WMU Annual Meeting of the Jones County Baptist Association will be held at 10 a.m. on Tuesday, Oct. 5, at the First Baptist Church in Anson, Texas. The program theme is "The Light of the World." The welcome will be extended by Mrs. Don O. Crommons of Anson and the roll call will be given by Mrs. L. L. Trott, Associational WMU President, Stamford.

Guest speaker for the meeting will be Mrs. C. J. Humphrey, State WMU President. Mrs. Humphrey lives in Amarillo and is the wife of a prominent attorney there.

Lunch will be served at 12:15 p.m. at \$1.00 per person, with pre-school children served at no cost.

All of the women of this association, and other interested persons, are urged to attend this meeting. The meeting will adjourn at 2:00 p.m.

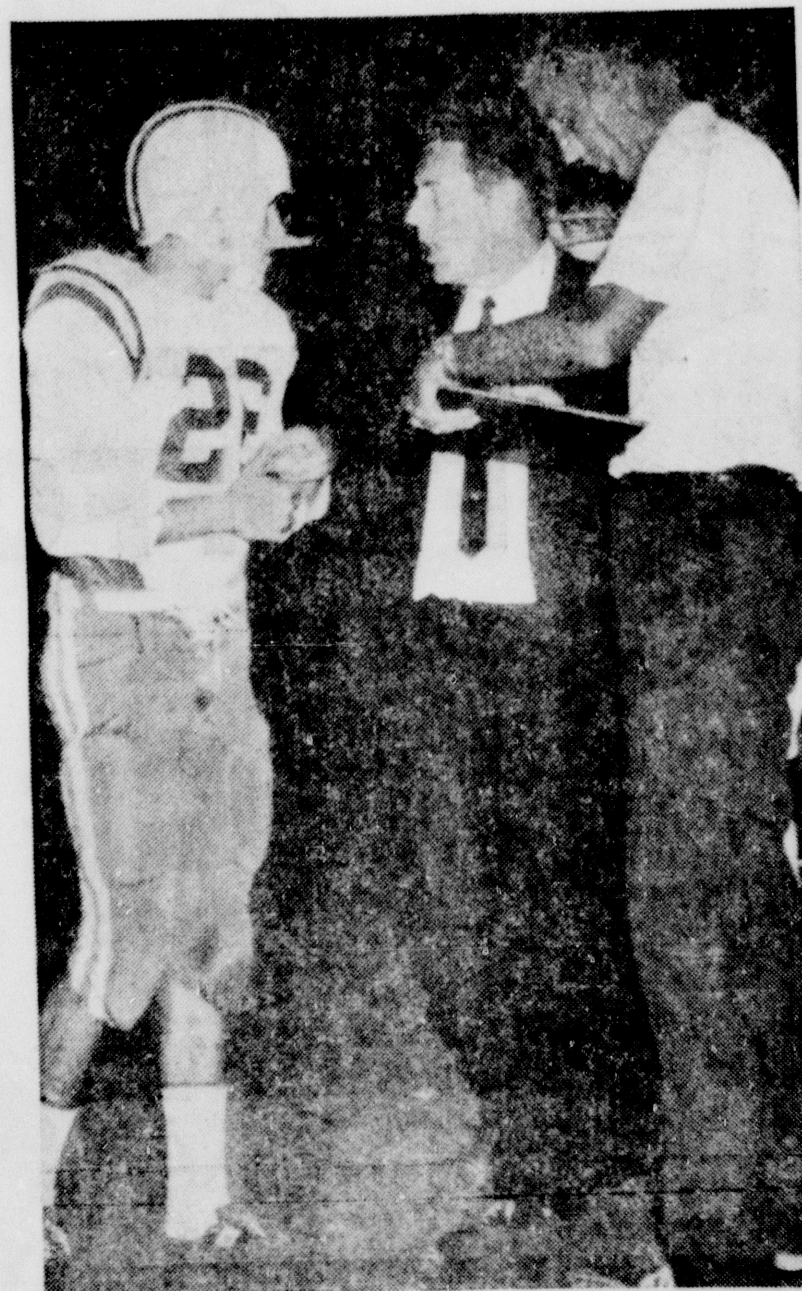

Former Resident, Connie O'Neal, Dies Wednesday

Connie O'Neal of Rule, formerly of Hamlin and father of Mrs. Luther Haight, died at 4 a.m. Wednesday morning in Hendrick Memorial Hospital in Abilene.

Services will be held at 2 p.m. today (Thursday) in Groesbeck in Shelton Funeral Home.

C. E. O'Neal was born Nov. 10, 1905 in Singleton. He lived here and moved to Spur for a time before moving to Rule. He was employed by Pan American Oil Co.

Beta Theta Hosts Rushees With Party Monday

Members of Beta Theta Phi Chapter of Beta Sigma Phi entertained rushees with a plantation party in the home of Mrs. Guy Weaver Monday evening.

The members in southern costumes took a hayride to pick up the rushees, Mmes. Pat Hughes, Mack Sellers and Horace Driver.

A meal of fried chicken was served by candlelight from a table covered with red and white cloth and centered with cotton plants. Folded tow sacks served as cushions. Antique items which would have been found on a Southern plantation were used to complete the decorations.

Mrs. Bob McKissack, membership chairman, introduced the rushees and presented them with cotton sacks.

She gave the purpose and history of Beta Sigma Phi.

Dinner music was presented by Donnelle Hill, Reba Jackson, Janet Carson and Janice Hardaway.

Other members attending were: Mmes. Fred B. Moore Jr. Larry McCraw, Tim Jones, David Casey, Floyd Clifton, L. C. Bonds, Joe Youngblood, Earnie Reusch, Billy Joe Wilson and James Wright.

At the Sept. 20 meeting in the home of Mrs. W. A. Hawkins, Mrs. Earnie Reusch gave the program on "Beauty, More Than Skin Deep."

Seventeen members were present.

Linda Hallmark Enrolls In Amarillo Nursing School

Linda Hallmark enrolled in Northwest Texas Hospital School of Nursing, Amarillo, Sept. 18, after completing 36 weeks of prerequisite academic courses at both West Texas State University, Canyon and Amarillo College, Amarillo.

She is scheduled to graduate in June, 1969, thus becoming eligible to write State Board examinations to become a professional Registered Nurse.

Future plans include the probability of teaching in a professional school of nursing.

She is the daughter of Mrs. A. J. Hallmark, who recently moved to Canyon.

Miss Hallmark is enrolling in the largest class in the history of Northwest Texas Hospital. Enrollment has tripled at Northwest Texas Hospital School of Nursing and as of September 1967 the School will have a total of 137 students — 47 above normal capacity.

Mrs. L. H. McBride Gives French Circle Program

French Circle of First Methodist Church met Tuesday in the home of Mrs. Blanche Culbertson. Mrs. L. H. McBride gave the program on "Unity of the Church."

Eleven members were present.

The next meeting will be in the home of Mrs. C. F. Cook.

Mrs. David Drummond and Mrs. Cliff Drummond, recent brides, were honored with an introductory reception in the home of Mrs. G. W. Drummond, assisted by Mrs. Don Drummond, Saturday afternoon.

Receiving guests with the honorees were Mrs. Jilson Hensley of Houston, mother of Mrs. Cliff Drummond; Mrs. Robert Johnson, Hamlin who stood in for Mrs. David Drummond's mother, Mrs. Vernon Cox of Socorro, N. Mex., and Mrs. G. W. Drummond.

Mrs. Mildred Williams of Stamford and Mrs. Carl Bingham were at the bride's books, where sixty guests registered. Bettye Horton and Mrs. Larry Teaff of Abilene served hot

spiced tea and individual cakes. The table was covered with white cut-work cloth over gold. The centerpiece of bronze held gold and yellow mums and roses. Imported bone and gold china and bronze-ware from Thailand completed the table appointments.

Mrs. Don Drummond said the goodbyes.

Other out of town guests included: Mmes. Dub Wofford, James Robinson and Susan, W. B. Warren, Rue Bennett, and Grady Flynt of Anson. Ira Branch and Clayton Branch of Rotan.

Members of the houseparty were: Mmes. Leldon Clifton, Irby Weaver, Bingham, La Foy Patterson, Henry Downey, Mildred Williams, Larry Teaff, Don Drummond and Miss Bettye Horton.

Mrs. David Drummond is the former Judith Ann Cox. They were married Aug. 12 in Socorro, N. Mex.

Mrs. Cliff Drummond, formerly Mary Nell Van Fleet, was married Sept. 9 in Austin.

Cherry Criswell, Herman Walter Exchange Vows

Cherry Frances Criswell, daughter of Mr. and Mrs. Owen R. Criswell, Rt. 2 Eastland, formerly of Hamlin, was married to Herman Gordon Walter Sept. 1 at St. Pauls Methodist Church in Fort Worth.

Parents of the bridegroom are Mr. and Mrs. Herman L. Walter of Olden.

Rev. Glenn C. Bowman read the vows.

Matron of honor was the bride's sister, Mrs. Desmond C. Hay of Fort Worth. Billy Jack Hayes of Fort Worth was his brother's best man.

The bride wore a street length dress of alencon lace over white satin. She carried white carnations atop a white Bible.

Michael Hay, nephew of the bride, was candle lighter.

The reception was held in the home of the bride's sister following the ceremony.

The bride and bridegroom are graduates of Olden High School and Ranger Junior College. She was employed at the Ranger college as secretary and will now be working at East Texas State University in Commerce where her husband is an art major.

DISTRICT 5-AA SHOWS POWER

With another week of non-conference play behind them, the six teams in District 5-AA continue to show their strength as they post a 15-2-1 record, scoring 465 points and giving up only 85.

This past week while Hamlin was defeating Cisco, 27-0, Anson was beating Albany, 22-13; Colorado City over Sweetwater, 19-0; Haskell over Munday, 49-0; Stamford over Seymour, 20-0 and Winters posted the only loss, 12-7, to Brady.

This week will see Hamlin hosting Tahoka, Anson at Cisco, Brady at Colorado City, Haskell at Seymour, Stamford at Graham, and Ballinger at Winters.

In the 18 games the teams of 5-AA are averaging scoring 26 points while giving up less than 5.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Pipers Add Loboes to Victory Streak

The Pipers added the Cisco Loboes to their victory streak Friday night as they rolled over the Loboes, 27-0. While the offensive unit tallied the 27 points, it was the defensive unit that deserved most of the credit as they kept the Loboes in deep trouble the first three quarters.

In fact, the defense put the Pipers in scoring position three times in the first quarter only to have the Piper attack sputter out and die each time.

But in the second period with the defense still containing the Loboes, the Hamlin offense found itself and rolled for three quick scores with Quarterback Bob Clifton, Tailback Phillip Simpson and halfback Sam Ferguson each making it across the double stripe. The passing combination of Clifton to Ferguson was good for another score in the third period to close out the Piper attack. Guard Jim Hastings hit three out of four of the points after to give him a season total of 10 out of 11 in this department.

So tough was the Piper defense that Cisco went into the dressing room at halftime with a minus 18 yards total offense. It was late in the third quarter before the Loboes could put together a first down.

Top ground gaining honors of the night went to Simpson as he squirmed his way for 152 yards in 26 carries. Top gainer for the Loboes was Reserve Back Johnny Martindale with 47 yards in 13 carries, all in the second half.

The first Piper score was set

up when End Ernest Ledbetter recovered a Lobo fumble on the Cisco 20. Ledbetter picked up seven yards on first down on a pass from Clifton and Simpson went four yards for the first down. Simpson added seven more and Clifton one before the Pipers were set back five yards on a penalty. Simpson gained the five back and Clifton sneaked in from the one to score. Hastings split the uprights to make it 7-0.

The Pipers drove back down to the eight on their next series but failed to make it in to score. A 15-yard penalty killed their next drive and then with less than three minutes left in the half Simpson hit over right tackle, cut to the left and went 30 yards to score. Hastings missed his first try for the point after of the season and the Pipers owned a 13-0 lead.

Following the kickoff, halfback Elgin Baldwin returned a Lobo punt back to the Cisco 34 from where Clifton spotted Ferguson all alone and completed a pass and run play good for 34 yards and the third Piper tally. Hastings was back on the mark as he

added the point after. Three fumbles marred the Piper offense in the second half as most of the action was played in the Piper end of the field in contrast to the first half where all of the action was on the Cisco end.

Late in the third period the Pipers stopped the Loboes on the Hamlin 27 which was the first series for the Loboes to get anything working for them as they picked up their first first down.

Working from their 27, Clifton sent Simpson into the line for 10 yards and then passed to Ferguson, who raced into the end zone for a 63 yard touchdown play. Hastings added the point after to make it 27-0.

The Pipers failed to put anything together for the balance of the game as Cisco used up most of the clock in three unsuccessful drives with the final one being to the Piper eight yard line.

Two successful passes by the Loboes put them on the Hamlin 11 for their first penetration of the night and then two times into the line netted them only two yards. On their final two downs Quarterback David Smith went back to the air only to have Ferguson make last minute saves for the Pipers on both of them.

The Pipers took over and ran out the clock to end the game.

Seventh Grade Ties, Eighth Loses

Hamlin Junior High teams failed to score against the seventh and eighth grade teams of Rotan Tuesday night.

The seventh grade score was 0-0. The eighth grade game was called in the third quarter because of rain. The score was 22-0.

Last Tuesday the eighth grade team was edged by Anson 14-12.

Mrs. Billy Joe Wilson and Mrs. Hollis Madden attended gift market in Dallas last week.

Dan Newberry President of H-SU Officers Club

Dan Newberry of Hamlin, Hardin - Simmons University senior, has been elected president of Hardin-Simmons Cadet Officers Club. The club is for advanced military science students.

Newberry is a captain in the cadet corps and is Company commander of "B" Company. He is seeking a bachelor of science degree with a major

in biology and a minor in physical education. He is a member of the H-SU golf team, Sigma Delta Sigma Social Club as historian, Nix Hall dormitory vice-president in '66 and president in '67, Texas State Education Association, and the P. E. club. While attending Hamlin High School, he was a member of National Honor Society, Boy's State delegate, football and basketball captain, sophomore president, and freshman and senior class favorite.

Other officers include James White, vice-president; Gary Cate, secretary; and Dorwin Bundick, treasurer.

Mr. and Mrs. Delbert Rountree left Monday for Albuquerque, N. Mex., where he was to enter the AT & SF Hospital for eye surgery scheduled at 10 a.m. Wednesday. He is on a 30 day leave from Santa Fe.

Boaters crossing the wake from another boat will find the crossing relatively smooth if it is approached at a 45 degree angle.

Neinda Philosopher Says Everybody Else Is Striking, Why Not Weekly Editors Too?

Editor's note: The Neinda
Philosopher on his Johnson
grass farm on Route One
seems to be overwhelmed by
strike news, his letter this
week indicates.
Dear editor:

After the fifth newspaper
turned up out here on this
Johnson grass farm in five
days, each one reporting on
a different kind of strike I
started keeping tab and can
report that the following
various groups have been
striking lately:

School teachers.
Chorus girls.
Automobile workers.
Steel workers.
Television announcers.
Policemen.
Firemen.
Big city printers.
Construction workers.
Airplane pilots.

There may be more, but this
will give you an idea of what
it takes to be in the modern
trend, and what I'd like to
know is, what's the matter
with weekly newspaper edi-
tors? How come you're drag-
ging your feet? Don't you know
this is 1967? You mean to say
you can't find a thing to
strike about? How come you
don't keep abreast of the
times? I'll even write your
own headline for you:

EDITOR PICKETS OWN
OFFICE IN DEMAND FOR
SOMETHING

Of course, I recognize you
might ask me, How come you
don't strike?

Well, although I've never
attempted to keep up with the
times, which consists mostly
of going in circles anyway,
I've got plenty to strike a-
bout, like a leaky roof, a loose
board on the back step, a
leaning barn, a sagging gate,
broken-down fences, the
weather 90 per cent of the
time, rusty plumbing, the high
cost of repairs and the low

price on sales, inferior tel-
vision shows, etc., but I sup-
pose you and me are in the
same boat: there's nobody to
settle most of our grievances
with but ourselves, and there's
no fun in that. What sort of

strike would it be if the only
way to win it is to work
harder yourself? I'll strike
against that kind of strike
any time.

Yours faithfully,
J. A.

There are still several nice
homes here that Mr. Reber
built.

He was born in Wingshau-
sen, Germany, in 1872 and
came to Texas when he was
18 years old. Mr. Reber now
resides in the Rice Springs
care home in Haskell where
he spends much time visiting
friends, keeping up with world
affairs and watching T. V.

Is gas really cool?

You bet. Here's proof:

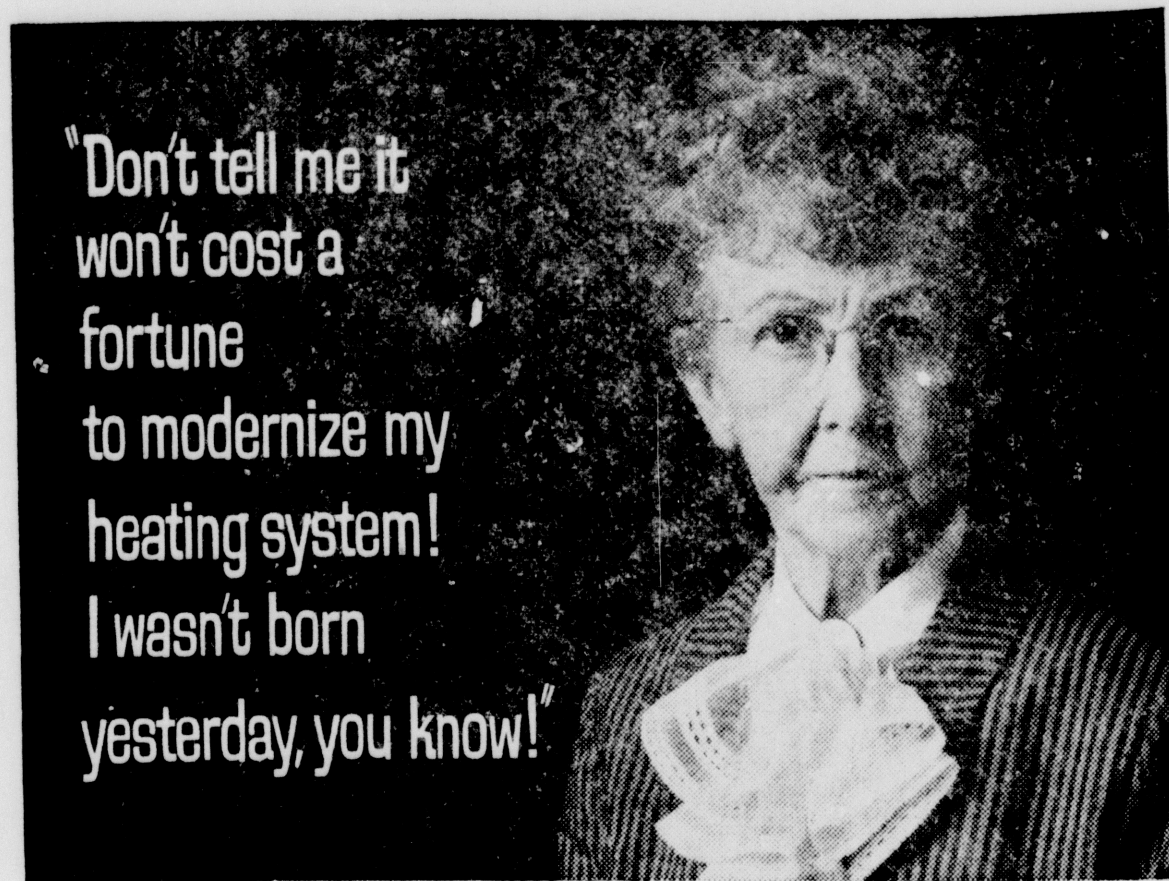

We turned a gas burner up to high for five
minutes. Then we turned it off and im-
mediately set a frozen pitcher of ice on
it! Nary a crack! The pitcher remained
intact and good as new. (The reason
is no hangover heat with gas.) We
tried the very same experiment
with an identical pitcher... but
on another kind of range. It was
a shattering experience. When
it comes to being cool, gas
makes the difference.

Excuse us, Ma'am, but your gas heating contractor or Lone Star Gas may have a pleasant surprise for you.

Let's be realistic. You're just going to have
to spend some money to modernize your heating
system. But it will probably be a lot less than
you think. Especially now during August and
September when gas heating contractors have
more time to make installations and are offering
special savings. There's a wide variety of modern,
automatic gas heating equipment to take care
of any situation—whether you're heating one
room, several rooms or your entire home.
Why not get a free estimate? Talk to a
gas heating contractor or the folks at Lone Star Gas.

SUMMER GAS HEATING SALE

Either we're charging too little, or everyone else is charging too much.

Rambler American. The only U.S. car
that could stop you from buying an import.

At a price very close to the lead-
ing import, the American seats six
people instead of four.

It gives you nearly twice as much
room in the trunk and more than
twice as much engine under the hood.

Like the imports, the American
doesn't change its style every year,
gets about 20 miles on a gallon of
regular gas.

Unlike some imports, it never
gives you the feeling that you're driv-
ing a toy.

Rebel. America's most underrated car.

The Rebel 550 Hardtop is the
lowest priced intermediate sized hard-
top in America.

It looks sporty, drives sporty
and still gives you all the things that
most people buy a car for.

The Rebel—Hardtop, Wagon,
Sedan or Convertible, V8 or 6—is
everything we think a car should be.

Before you pay more for an inter-
mediate, make sure you get as much.

Ambassador. The car with air
conditioning as standard equipment.

Air conditioning has been around
for a long time, but so far only a few
companies—the people who make

Rolls Royce for one—have had the
good sense to include it in their cars
at no extra cost.

We're another.

We just don't understand why
someone should be asked to pay a lot
of money for a luxury car and then be
asked to pay over \$300 more for the
luxury of air conditioning.

Introducing the Javelin.

Although we've always had the
reputation for making sensibly priced,
well-built cars, we've never had the
reputation for making hot, sporty
cars.

We'll soon have the reputation
for making hot, sporty cars.

The front and rear bumpers on
the Javelin are massive. Unlike thin
blade bumpers, these give the car a
rich, racy look.

The side windows on the Javelin
are solid sheets of curved glass, with-
out vents to break up its fast lines.

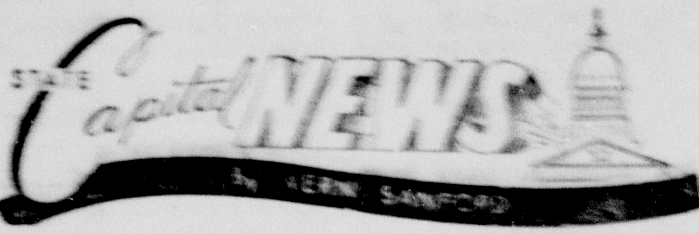

The Javelin SST comes with
wheel discs, special exterior trim, re-
clining bucket seats and a woodgrain
steering wheel, all standard.

And all for a lower price than
the other sporty hardtops.

ALBRITTON MOTOR CO. -- 145 S. Central

Staff Sergeant Sammy D. Slaughter, whose parents are Mr. and Mrs. Otto Chise of Rt. 2, Byars, Okla., has arrived for duty at Fort AFB, Colo.

Sergeant Slaughter, a personnel specialist, is assigned to a unit of the Military Air Force Command which provides global airlift for the nation's military forces.

He previously served in Vietnam.

The sergeant is a 1955 graduate of Asher (Okla.) High School.

His wife, Judy, is the daughter of Lee Ward of 630 N. W. Avenue I, Hamlin.

By Mrs. R. M. Rabb

We had a very quiet week this past week. Nothing exciting or out of the ordinary happened. We did have some rain but maybe not too much.

Mrs. Charles Scott reports that she had visiting in her home over the weekend. Mr. and Mrs. Merrill Turner of Ft. Worth, Mrs. Ella Scott of Holiday Lodge, Hamlin, and on Sunday afternoon, Mr. and Mrs. Williamson of Snyder.

Mr. and Mrs. Stubby Williams of Clute, came for a visit with his mother, Mrs. Gladys Williams. They reported that they had 10 inches of rain before they left home. They are a couple of hundred miles up the coast from where the storm was.

Woodford and Lorena Purdie spent a few hours visiting friends on Friday night and on Saturday visited with her mother Mrs. Annie Smith in

Holiday Lodge in Hamlin.

Mr. and Mrs. Roy Kiser are the proud grandparents of a 4 lb. grandson. The young man is the son of Jerry and Ruth Ann Kiser, Houston.

Mrs. J. E. Tindall is spending a few weeks with her daughter and family, the Durrells of Houston.

Talked to Mrs. Lloyd Burton one day last week and they were so grateful to everyone for the kindnesses and food that was made available during their sorrow.

Ricky Kiser, young son of Mr. and Mrs. Cecil Kiser celebrated his birthday on Saturday with a party with many of his friends attending.

Mr. and Mrs. Max Deel and children of Leaveland spent the weekend in the W. E. Brown home. They were here to attend the funeral of his aunt, Mrs. Ernest Smith. Also in the Brown home on Friday night were their daughter, Mrs. Jerry Prather and children of Sweetwater.

Cpl. Louis Perales is home on leave from the Marines. He has been in Guam and is waiting for orders. Also in the Perales home is their daughter, Frances, her husband has just been sent to Vietnam.

Visiting in the Bass Douglas home over the weekend were, Don and Dorothy and boys from Big Spring. One of the boys has had his tonsils removed. I don't think he was too excited over the idea but he did fine.

Gary Douglas who is employed by Merckel Rural Electric, was sent to the valley with a crew to work on the lines that were down.

72 In. Rainfall Measured Here

High winds, dust, and an electrical storm brought in a heavy shower Tuesday evening about 9 p.m. The rainfall measured .72 at the City Pump Station.

The lights flickered twice in town but the power did not go off.

Some trouble was reported on high lines north of here from the storm.

Rain gauged here last Thursday was .48.

AUSTIN — Constitutional Revision Commission is busy revising or rewriting the basic document which has governed Texas since 1876.

Before it could start, it rounded out its membership by naming five senators.

LA. Gov. Preston Smith refused to name the Senators. He says the Commission was not legally authorized. It was created by a simple House resolution and the Senate did not concur.

Senators chosen by the Commission itself were A. M. Aldin of Paris, Grady Hinkley of Amarillo, J. P. Woot of Midland, Don Kennard of Ft. Worth and Henry Geyer of Houston.

Gov. John Connally opened the Commission's meeting by urging its members "to make some very profound recommendations about the structure of Texas government without removing fundamental safeguards."

Connally said the commission should "eliminate those portions of the Constitution which are outmoded and no longer applicable."

Commission Chairman Robert Shivers, a Dallas attorney, said the 25 member commission, which will report to the 41st Legislature in 1969, should try to write a brand new constitution.

Recommendations of the Commission must go first to the Legislature. If two-thirds of the lawmakers agree that the proposed revision is worth submitting to voters, a statewide election will be required before any changes can go into effect.

Larry Temple, executive assistant to Governor Connally, was designated secretary and chairman of the drafting committee. San Antonio Mayor W. W. McCallister was named vice-chairman.

Legal or not, the group will devote 14 months to the project. Eight committees were named to study various parts of the Constitution — executive, legislative, judicial, political subdivisions, bill of rights, education, revenue and

usage against wind-driven rains, as well as other damage.

Source of controversy surrounding Carla's policies mainly involved losses caused by both wind and water and assessment of that portion attributable to hurricane winds.

Railroad Commission delayed setting of allowable rate for the October pending a survey of how Hurricane Carla affected Gulf Coast railroads.

Small Business Administration early declared SBA relief loans were available to firms in the hurricane devastated sections.

State Insurance Board dispatched experts to the Valley to help interpret the fine print of policies. Insurance companies, which paid out \$25,000,000 in Hurricane Carla losses six years ago, moved to implement "catastrophe plans" for speeding claims handling.

Board officials advised that Texas insurance policies do not cover losses due solely to flood waters or wave damage, although some do provide coverage against wind-driven rains, as well as other damage.

From The Eagle's Beak...

The Sophomore Class held a special meeting Tuesday to select Class Favorites for the yearbook. President Benavides presided while assisted by Vice president Hernandez in vote counting. Deborah Sue Smith was selected the girl favorite and Larry Smart defeated Donnie Gunn by a few votes for boy favorite.

McCaulley Eagles were defeated Friday night by Paint Creek. We agree with the critics that Paint Creek Pirates are headed for the Championship in that district. Next Friday night the Eagles will meet the Lueders Mustangs on the McCaulley gridiron. We hope to win this one. After the game the Junior's and Seniors will sell hamburgers in the lunchroom.

Homecoming barbecue dinner will be served at 6 p.m. Oct. 1. We invite all exes and friends to attend and see the football game at 8 p.m. with Benjamin, FHA and Pep-squad girls will sell corsages. Football Sweetheart and Heroes will be honored at halftime.

McCaulley FFA Chapter members were honored with a visit from State president, Danny Burns, who gave the goals set up by FFA this year.

Mr. B. A. Farris, Agriculture teacher and Douglas Spalding attended the District FFA meeting in Anson last week.

Freshmen, sponsored by B. A. Farris, selected class officers this week. They are Kay Gibson, president; Carolyn Williams, vice president; Merline Grice, secretary; Diane Young, treasurer and Olga Guerra, reporter.

Photographers from Cole Studio, Abilene, made individual pictures for the Eagle, Wednesday.

PEP RALLY
Friday's pep rally was a real spirit booster! Pep squad cheerleaders led in yells and the band played. Speaking at the pep rally were: Mr. Bob Craig, Booster Club president; Dianna Crowley, band majorette; Wendy Russell, pep squad twirler; and Phillip

Simpson, football captain.
BALLGAME
Friday night's game proved to be a winner! Pipers triumphed 27 to 0 over Cisco who overscored in all predictions. The boys worked together and held the Cisco team in check gaining a considerable amount of yardage. Pipers are striving toward more victories with the entire HHS Student body backing them.

BAND
The band has done a series of marching routines for half-time entertainment each week. This year the band is being headed by James Knabel, president; Reba Jackson, vice president; Janet Carson, secretary; and Jayne Turner, reporter. Pat Perkins and Joey Duncan are this year's drum majors, and Sally Carlton, Margaret Cooper, Dianna Crowley, and Rhea Vaughan are all majorettes.

SENIOR CLASS
Seniors had success with calendar sales. Six-hundred fifty calendars were sold and 1600 were sold including listings. Girls topped the boys

sales with 707 listings and 372 calendars over 584 listings and 276 calendars. Top salesmen were: Richard McComack, Terese Perrin, Jimmy Hastings, and Margaret Cooper. Extra calendars have been ordered, and anyone who wishes to purchase one may contact any senior. The senior's next project will be Christmas cards. These also may be ordered from any senior. Do back YOUR seniors '68 with your orders!
ANNUAL
Sales for the Piper '68 began Monday, and this year's staff promises to have a superior yearbook. All staff members have been working

diligently toward ad sales, annual layouts, pictures, and Piper '68 sales.
DEVOTIONALS
Devotionals each Wednesday have proved to be an inspiration to students of H. H. S. Mrs. Scott gave the meditation last Wednesday and Marcia Steele and Windy Russell gave a message in song. This week Robert Foster gave the meditation and Janet Carson sang a solo. Devotional heads, James Knabel and Reba Jackson, do a commendable job with group music and devotional planning each week.
NATIONAL HONOR SOCIETY
Members of the NHS have

been working hard in order to make the recently devised tutoring program a success. Any student who needs special help with a subject should contact Tommy Oliver for information. This service is free. They have also introduced something quite unique. Balloons will be sold at Friday night's game at 10c a piece, and it is planned for all Hamlin backers to let their balloons float into the air when the Pipers make the first touchdown, scoring toward a victory!
